Colorado State University

Women in Construction Management Summer Institute
For Young Women Ages 15 to 18
June 5th- 9th 2018
Recommendation

Dear Teacher/Counselor:

The following student, _____, is applying for admission to the 2018 Women in Construction Management Summer Institute at Colorado State University. Please provide us with any information you feel will help us assess this student's potential (e.g. interest in construction, engineering, or design; performance and attendance in classes; willingness to learn and work in teams, etc.)

The goals of our program are to educate and empower young women to pursue various professional career opportunities in construction, and to encourage young women to go to college after high school. Participants will develop confidence in their abilities and gain an understanding of their opportunities in construction management through field trips, discussions, and hands-on activities.

Students will have a collegiate experience, living in a Colorado State University residence hall with supervision provided by college mentors. Limited spots are available for high school students.

Table with 8 columns: Below Average, Average, Good, Very Good, Excellent (Top 10%), Outstanding (Top 1%), Unable to comment. No basis for evaluation. Rows include Academic Achievement, Potential for Leadership, Extracurricular Activities, Personal qualities & character, Communication Skills, Ability to work in a team, Maturity, and OVERALL.

Tell us how the student would benefit from this experience:

Five horizontal lines for writing the student's benefit from the experience.

Signature _____
